Wellness Etiquette

Information and appointment booking

We recommend that you book your appointments from home before your arrival, so the Vitalità team can reserve your preferred wellness times in advance. Information on our offerings is available on our website, where you can also book directly. Or call our reservation department, where they will be happy to advise you personally.

Cancellations/appointment changes

If you need to cancel an appointment for personal reasons, please let us know at least 24 hours before the treatment begins. Otherwise, we must charge you 100% of the treatment fee.

Punctuality

Please arrive at the Vitalità reception a few minutes before your appointment. If you are late we must regretfully shorten your treatment.

Therapists

Our team has male and female therapists. We can only take your preferences into consideration if you let us know about them when booking. Otherwise, we will assign you to an available therapist – male or female.

Medical conditions

Please always inform your therapist about medical conditions, problem areas, etc. before the treatment begins. If you do not do so, we will assume that you are healthy and that the treatment you have booked may be performed.

Pregnancy and nursing

Congratulations! Certain rules apply during this wonderful time and we shall be happy to advise you personally on suitable treatments that you can enjoy during pregnancy and after the birth of your child.

General

Please observe the smoking ban in the entire spa area. Please consider the other guests by setting your mobile phones to mute and not using laptops.
